---

Greetings!

Thank you for stopping by to learn more. We are in need of metal cans as pictured in the photo (credits [here](#)) in addition to old and new candles in order to help our Ukrainian friends. It is starting to become cold in this area and the soldiers need heat, light, and a way to help dry their clothing so they may be better prepared for battle.

Please contact us so you may help! These locations are accepting donations:

**Raleigh Baptist Association** (820 S New Hope Rd, Raleigh, NC 27610). Their website [here](#).

**Smithfield Rescue Mission** (523 Glenn St, Smithfield, NC 27577). Their website [here](#). The residence helpers will be making the candles.

More organizations are forthcoming. Please share with all organizations willing to help.

Sincerely,  
Richard Fitzgerald
